# Emerging Plan to Prevent Homelessness

## Results

1. People who are homeless in Stanislaus County permanently escape homelessness.
2. People who are at risk of homelessness in Stanislaus County do not become homeless

## Indicators

1. For **individuals who are homeless...**
  - a. Reduce # of people experiencing homelessness
  - b. Reduce average length of time someone is homeless
  - c. Increase % in accessing resources to improve their wellbeing
  - d. Increase % in experiencing improved wellbeing
2. **Improve safety of parks and neighborhoods** negatively impacted by people engaging in anti-social and criminal behavior who struggle with homelessness
3. **Decrease occurrences of public anti-social behavior** committed by—and toward—people struggling with homelessness
